

Economics and Environmental Policy Research Network (EEPRN)

Call for Proposals 2017-2018

RESEARCH PROPOSAL TEMPLATE

This research proposal must not exceed 4 pages

Title of Research Project:

Name of Research Supervisor(s) or Principal Investigator(s)

[Name, Position]

[Department/Institute/etc.]

[University]

[E-mail]

Name of researcher(s) / student(s)

[Name, Degree sought]

[Department/Institute/etc.]

[University]

[E-mail]

EEPRN Priority Area: *[Please state under which of the following four EEPRN priority research area your research project falls under. You may identify more than one research area if applicable.]*

1. *Policies for a Low Carbon Economy;*
2. *Innovation & Competitiveness;*
3. *Conservation (including species at risk protection);*
4. *Data Set Development & Linkages*

Total funds requested from EEPRN:

Background (Problem Description): *[Provide background and/or description of the research problem, along with a brief overview of the relevant literature.]*

Research Question(s) and Objectives: *[Describe the research questions your project is seeking to answer as well as clearly state your research objectives. How does this contribute to the existing research literature?]*

Methodology: *[Explain how you plan to answer these research questions.]*

Summary of Deliverables: *[Provide an outline of proposed research reports, publications, or other deliverables to be completed as a condition of funding.]*

****Successful applicants will be expected to submit a policy brief outlining their research question, approach, and highlighting key policy-relevant findings of their research project. They will also be expected to present their research at the annual EEPRN Symposium, tentatively planned for March 2018.*

Proposed Timeline:

***Please note proposed research plans and budgets must reflect that all requested funds would be disbursed and final project deliverables completed by March 31, 2018. All awarded funds not expended by March 31 2018 will be required to be returned to funder.

Budget Narrative and Cost Breakdown: [Please provide a budget narrative and breakdown of costs. Fill out the budget table below]

Item	Requested from EEPN	Provided (in-kind or cash) by researchers or other funders	Total
Research Assistant(s) <i>Provide further cost breakdown if necessary</i>			
Travel & Accommodations <i>Provide further cost breakdown if necessary</i>			
Purchase of Data , Software or Survey <i>Provide further cost breakdown if necessary</i>			
Other <i>Provide further cost breakdown if necessary</i>			
TOTAL	\$(CAD)	\$(CAD)	\$(CAD)

***The terms of the funding agreement with Environment and Climate Change Canada do not allow us to fund university overhead. Please do not include university overhead costs in budget proposals.

***Travel costs to attend the symposium will be covered separately (do not include this travel in your proposed budget).
